8:30am—5:00pm
NCJAR Morristown
910 Mt. Kemble Ave
Morristown, NJ 07960

Real Understanding, Real Results.

NAR's Green Designation gives you the tools you need to guide clients through buying, selling or building in the sustainable marketplace.

- Explain to your clients what makes a home or property green
- List and market green properties
- Implement green practices into your life
- Determine the energy efficiency of a property

Presented By:
Gary Large, NCJAR Education Consultant

To earn your designation you must complete the Core Course and one of the following electives: Residential, Commercial or Property Management. **By completing NAR's Green Designation, you have the opportunity to apply the designation as credit toward either the ABR® designation or RSPS certification, putting you one step ahead of your fellow practitioners.**

NAR's Green Designation Core Course provides real estate professionals with knowledge and awareness of green building principles applied in residences, commercial properties, developments, and communities so that they can help consumers in purchasing, retrofitting, and operating green properties. The course encourages the real estate professional to be an advocate for green principles in the design and use of homes and commercial buildings and a positive force for creating sustainable communities.
