

# FENG SHUI for Real Estate with Deanna Trust

Increase your marketing skills for Real Estate with the understanding of Feng Shui, the ancient Chinese art of placement that relates to the flow of positive life force energy in our surroundings. Feng Shui works with the Laws of Nature. Learn to invite, maintain, and grow this valuable life force energy in all real estate environments — and watch your sales potential grow! You'll find this seminar valuable for training in house-staging and ethnic diversity awareness.

Deanna Trust, founder of Trust Feng Shui in 2001, is an experienced lecturer with more than 5000 hours of public speaking experience, including television presentations. (Youtube links at TrustFengShui.com are available for viewing.) In 2012, she was a speaker at the Century 21 Realty Global Conference in New Orleans and at the National Brightest and Best Realty Conference in Palm Springs, CA. She is a member of the American Dowsing Society and was a speaker at the National Dowsers Conference in Vermont in 2010 and 2015. Deanna has taught classes at Seton Hall University, Montclair State University, Caldwell College, and Kean University.

Deanna was trained in Black Sect Feng Shui at the Nine Harmonies School of Feng Shui in Nashville, Indiana. She has most recently trained with Grand Master Lin Yun at the School of the Divine, Harvard University. Her interior designs have appeared in national and international design publications. Deanna's clients have included Deepak Chopra, Billy Joel, Usher, Seton Hall University's School of Nursing and School of Eastern Asian Studies, Morristown Medical Center's Center for Integrative Medicine, and the Manhattan Breast Cancer Center.

Deanna has delivered her seminar and Feng Shui practices to all major Real Estate companies in the Eastern USA. **In her seminars, realtors will work with a copy of their home floor plans for study reference and will receive special Feng Shui gifts.**
